Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a security order has been rescinded.

Note for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

35 USC 181: "The United States Patent and Trademark Office shall not issue a patent on an invention disclosed in a patent application filed on or after September 8, 1992, which discloses information of a type that, if disclosed, would be injurious to the national defense, until such time as the Secretary of Defense has determined that the application of the provisions of this section is not warranted." 35 USC 184: "Notwithstanding the provisions of section 181, an invention may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from the filing date of the application, unless the application becomes the subject of a security order."
